'DOLI IN BLOOM'

Celebrating its 20th year anniversary

Would you like to be part of our friendly gang of gardeners, helping to keep Dolwyddelan looking colourful and proud of itself?

We meet at intervals during the year at locations around the village to plant, tidy up unkempt areas and keep key areas beautiful and a credit to the village. Whilst enjoying the fresh air and friendship.

Places we look after include – the station platform, the station car park, Pont Arenig lay-by, Bryn y Bedd cemetery and the many planters that brighten up our village during the year. We have a rota of two people per month to tidy, weed and sweep the Cenotaph Garden.

We always welcome new members.

Work parties planned (usually no more than two hours) . . .

Sat 29th March 10.30am –

Train station platform, carpark and garden plots.

(If anyone you know would like to take over a plot in the border please let us know.)

Sat 3rd May 11.00am –

Fund raising event on station car park if dry, the Pavilion if wet.
